Also enclosed is a copy of an International Search Report dated February 9, 2005 (enclosure 2), which was issued in counterpart PCT application no. PCT/US2004/038424, and in which these references were cited.

Additional references cited on the attached copies of forms PTO/SB/08A, (enclosure 3) and PTO-892 (enclosure 4) are also being called to the attention of the Examiner. These latter references were cited in an IDS dated September 4, 2004, and filed in conjunction

B2. Finally, references were cited by the Examiner in an Office Action issued in conjunction with said parent application and dated May 6, 2003. In accordance with 37 CFR §1.98(d), copies of the latter references can be found in said parent application.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement, because this submission is prior to the issuance of a first Office Action on the merits.

However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
